We're getting the fee info sorted out with Corgan.

Here's the invoicing schedule:

Schematic Design:	15%
Design Development:	20%
Construction Documents	30%
Bidding/Permitting	5%
Construction Administration	30%

I thought I had it in the proposal – obviously not.

Attached is the proposal sent to me for project set up. You stated on the WIP that there should be fees broken out as noted in proposal.... Do I have the correct proposal? I can't find anything but the fixed fee total of \$167,000.00.
